To

The Chairman and Managing Director,  
TANGEDCO Ltd.,  
144, Anna Salai,  
Chennai – 600 002.

**Lr.No.TNEBEA/P/D.48/2011 dated 29.11.2011**

Sir,

**Sub:** Postings on promotion in various category of Class-1 Service – early action requested – Reg.

Vanakkam,

The Association expresses its sincere thanks to CMD/TANGEDCO for the issuance of the promotion order for seven Executive Engineers in Civil category.

The Association has requested to fill up about the available 50 (fifty) vacancies in various category of class I service in electrical discipline vide letters dt.17.05.2011, 09.08.2011 and 07.10.2011. But the same has not been filled up till date even after a period of **about more than 5 months**.

The Association would like to put forth the following few points before CMD for kind consideration and favourable orders.

The vacant posts are in the level of Chief Engineers, Superintending Engineers and Executive Engineers in the field of operation, power plants & projects, distribution and protection which requires day to day attention to maintain uninterrupted power supply.

It is considered opinion of the Association that these vacant posts have to be filled up immediately to arrive at proper decision making in the prevailing power shortage scenario and in the emergent situations like floods, cyclone etc.

Further most of the engineers who have put in a period of more than 24 years of service are awaiting their **second promotion in Board's service.**

The Association therefore requests the respected CMD / TANGEDCO to fill up these vacancies immediately to motivate the engineers longing for their promotion in turn in the larger benefit of both individual and organization at this decisive juncture.

Thanking you,

With warm regards.

Yours Sincerely,

(G.KANNAN)  
General Secretary
